Richard M. Berman, U.S.D.J.Re: Richard Carbone and Eileen Kelly-Carbone v. New Milford Hospital and  
John Mullen, M.D.  
Case No. : 07 CV 8741 (RMB)

Honorable Sir:

We represent the plaintiffs in the above matter. As per our discussion with Andrew Brettler of this date, we are writing at this time to request an adjournment of the conference presently scheduled for February 11, 2008. We apologize for the belated request.

We have been attempting for quite some time to obtain service on defendants, but have had difficulty. We were finally able to confirm through our process server that service was completed on February 6, 2008. We are not yet in receipt of Answers and have not heard from defense counsel. Their time within which to answer has not yet expired.

In light of the circumstances, we propose that the conference be adjourned for 60 days so that we can insure that all parties will be present at the next scheduled conference.

Thank you for your consideration in this matter.

Respectfully submitted,

*Robert G. Spevack*
